More October News at ASCARC

- The ladies and gentlemen from our **Supervised Apartments program** traveled to **Windy Brow Farms** in Fredon for their annual apple picking tradition. After picking apples, the folks enjoyed some interesting facts about the benefits of apples, how they grow and how many different kinds of apples are grown. They had great recipes on how they were going to enjoy their apples as well. While reading the recipe packets we made for them, they enjoyed some homemade apple donuts. A great time was had by all!

- Our **Beemerhill group home residents** went Pumpkin Picking at **Ideal Farms in Augusta** over the weekend. Everyone enjoyed a hay ride and apple cider donuts with hot apple cider. Ideal Farms and the above mentioned Windy Brow Farms have been long time friends and supporters of the SCARC Family of Services.

- Members of our **Harvest Home Foods program** in Hampton visited the **Sussex Airport** last week to view airplanes landing and taking off. They had the opportunity to meet a pilot who was kind enough to show the men some planes! It was a great surprise for the group!

• We didn't receive many photos yet of last week's performance of the **Big Apple Circus** show at the **Sussex County Fairgrounds**, but we did receive one from the Hillside group home showing **Doug and Leif** enjoying themselves at the show. Thank you Big Apple Circus for inviting 100 SCARC participants!
