End of October News at

- Flu shots are a great way to ward off the flu this season. **SCARC's Chief Executive Officer, Richard Lecher** is first in line to receive his annual flu shot from **April Perciballi**, pharmacist from **Newton Shop Rite**. SCARC hosted April and her flu shots at our Hampton Community Center last week so staff could receive the shots free of charge (via one's health insurance coverage). Thank you **Ronetco Shop Rite** for extending this convenience to SCARC employees.

- **Peggy Gardner** (pictured standing in the center) led another of our popular **Bible studies and dinner at the Lenape group home** last week. This once a month session is requested by several of our residents from a number of our homes. Peggy was honored as our **Volunteer of the Year in 2018** for her volunteer time leading Bible studies for our interested residents.

- The **five main boards of trustees** of the **SCARC Family**, including **SCARC, SCARC Foundation, SCARC Housing, SCARC Guardianship Services, and Augusta Center for Persons with Disabilities** met together to enjoy a **Board Training** this week at our Hampton Community Center training room. 41 members of our boards learned about the current status of the SCARC family of services with presentations by **Chris Hemmer, Megan MacMullin, Janis Woersching, Mary Jo Smith, Karen Newburgh, and Richard Lecher**. Questions and discussions followed the presentations. Everyone felt the importance of keeping up with the current state of affairs at SCARC.

- Also last week, the **Arc of New Jersey Awards Dinner** celebrated **Heather Childers from Fox News** and her volunteer work with our SCARC Foundation. For the last 5 years, Heather has volunteered as emcee at our SCARC Foundation Honors dinner in March of each year. In the photo, Heather receives her award from **Tom Baffuto, Arc/NJ CEO and Joanne Bergen, Arc of New Jersey President**. A delegation from SCARC attended the dinner. Congratulations Heather on your honor from the Arc of New Jersey!
