First of October News at ASCARC

- The Lafayette Federated Church in Lafayette presented its second **Family Disability Conference** this past Saturday to benefit parents and family members. The Keynote speaker was **Sib Charles** from Joni and Friends, a national organization supporting people with disabilities. In the photo is **Kate Imperato** of SCARC supporting a SCARC table of information to share. Also speaking at the conference was **Megan MacMullin**, CEO of SCARC Guardianship Services who presented an overview of the important role of a guardian in care treatment plans.

- A resident of SCARC's **Beemerhill group home, Ernie Silva** prepares to decorate the home with a pumpkin from Ideal Farms in Augusta. All of SCARC homes are decorated with Autumn beautifications in order to enjoy the attractions of the season.

- Many of our SCARC residents enjoyed Lake Hopatcong this summer. Most recently **the men from Franklin group home** traversed the lake on the **Miss Lotta Lake Hopatcong touring ship**. Bon Voyage to all travelers on a sunny day!

- Don't forget the **SCARC Foundation NERDS concert** next Thursday at Sussex County College Performing Arts Center beginning at 7PM. Tickets can be purchased at the Foundation office at SCARC, or online at: <https://scarcfoundation2018nerds.brownpapertickets.com/>.

- SCARC's **Augusta Community Center** is coming along in its construction schedule as we move into the Fall season. The outside of the building is nearing completion, and the inside work is much more concentrated at this time. The building exterior will blend well with our Administrative Center next door to the Community Center. Take a ride to Augusta to see the progress.
