## Thanksgiving Week in November News at ASCARC

- Where would our Hampton group home be without their constant helper!? Pictured is Richard Kane in his glory, helping with the shoveling snow after last Thursday's winter storm! Rich loves to help wherever he can, especially shoveling snow! He says its good exercise, and wants to help! We always appreciate the help our residents offer to keep up the smooth operation of our group homes. Thanks Richard for you willingness to help in time of need.

- Staff from our **Franklin and Hampton group homes** took Richard, Clint, and Lewis to meet at Hampton diner for **Lewis' birthday!** They surprised him with a Giant's hat and shirt! A great time was had by all! Happy Birthday Lewis!

- **SCARC's Harvest Home Foods**

**programs in Hamburg and Hampton** are distributing 300 meals to 300 families for the Thanksgiving holidays. The meals are being donated to HHF from Newton Medical Center and various restaurants in the Sussex County area. Meal recipients are families that regularly receive food assistance from our Harvest Home Food pantries. In the photo are Maria, Mary Beth, Joe, Butch and Brooke of our Harvest Home Foods in Hampton.

- It's a short week this week at SCARC, but we want to wish everyone involved in our SCARC family a very enjoyable and healthy **Thanksgiving holiday** with families, friends, and neighbors. Many of our individuals will be traveling home to be with their family, and many more will get together with others at SCARC for warm and friendly Thanksgiving times. Where ever you are, or whoever you are with, take the advice of SCARC board member David Weed, "Take good care of yourself, and be thankful for what you have". **God bless everyone from all of us to all of you!**

Pictured is President Trump pardoning "Peas", a South Dakota turkey with Melania at the White House ceremony.
