More October News at ASCARC

- Sometimes the pandemic results in friendship development that might ordinarily happen. In our **Stillwater group home**, **Joyce and Sharon** have become good friends and have been doing things together to find enjoyment with each other. Cooking, crafts, and participating in our virtual day habilitation program have been rewarding experiences. Good times to all!

- The residents at our **Beemerhill group home** had a culture night studying **Autumn**. They watched a power point presentation on the **Autumn** season and discussed what happens during the season, including decorating pumpkins.

- Hairstylists and barbers from **The Village Mane in Sparta** and **Barbers on Main in Blainstown** came to give haircuts to our group home residents earlier this week. Some of our residents hadn't had haircuts in quite a while. Haircuts were done under tents in the rear of our Lecher Center in Augusta. Everyone was thrilled. **Successful Outdoor Haircuts to all!**

- The **men from our Clearview group home** took a trip to **Beemerville Orchards** to pick apples. What a great idea for an outing during the beautiful weather. Beemerville Orchards is owned by the Bast family, which is part of the larger Postma family whose family member was served by SCARC. Thank you **Beemerville Orchards** for being our host.

- The **SCARC Foundation** has been selected by **Subaru World of Newton** to participate in Subaru's **Share the Love** program as a Hometown Charity! This year's event will run November 19, 2020 through January 4, 2021 at the Hampton based Subaru dealership on Route 206. During the **Share the Love** event, for every new vehicle purchased or leased, Subaru donates \$250 to the purchaser's choice of participating charities, including the **SCARC Foundation**.
