

This Week at ASCARC

Volume 8, Issue 20

Friday, June 11, 2021

More June News at ASCARC

- **Sheriff Mike Strada (c) and his deputy officer Hilary Manser** meet with **Harvest Home Foods** senior coordinator **Angelique Kobylinski** to donate extra Girl Scout cookies to SCARC's Harvest Home Foods program. HHF programs donate food and food staples to needy families in Sussex County. The Hampton based program has been closed due to COVID restrictions, but we anticipate its opening in July. Mike is a member of the SCARC board.

- Our digital day hab program enjoyed having **guest chef Chet (l)** who taught the cooking class how to bake chicken parmigiana, giving live instructions as he taught. **Spencer (r)** and **Gail (far right)** baked along with Chet in their own home kitchens. Everyone displayed their baking skills for this delicious meal.

- **Three men from our Hillside group home** exercised their right to vote earlier in this week's primary election. **Andrew** is shown with his "I voted" sticker on his shirt. Two of the men went to the polls to vote and one voted by mail. The men are very interested in participating in the voting process of electing representatives of their choice. Good work men!

- Just getting out to lunch is a treat now that group home residents are vaccinated and can get out into the community. **Dawn from our Stillwater group home** enjoyed her outing to **Friendly's Restaurant** in Newton for lunch with staff. It's exciting to get out into the public after being quarantined for so long.

- **Dan from our Warbasse group home (r)** shows off his butterfly wreath made during our **Day Hab Goes Digital** program craft series whereby craft kits are made available to participants to assemble. Much of our day program supplies come from a grant from the **SCARC Foundation**. Creativity is the name of the game.

- **Safari (left) from our Wantage group home** is celebrating Memorial Day with her American flag tee shirt and patriot events. The home created a cultural occasion to discuss the holiday and its significance. She is already prepared for July 4 when it comes. Good celebrating!
