Early July News at

- The men from our **Clearview group home** ventured to Ocean City NJ to enjoy the famous New Jersey Shore. They spent their day enjoying some fun in the sun and cooled off by wading in the crisp ocean water. Later in the afternoon they finished up their day with ice cream and a stroll on the boardwalk. From left is **Butch, Steven, Mark; in the back is staff Devin and Elton**. Looks like a great time for all!

- Our residential program sure did enjoy the free plants and flowers from **Ideal Farms in Augusta**. Now our homes are decorated beautifully. From left are **Joe and Andy, Rachel, Dan, and Ernie** picking flowers and plants.

- Horseback riding is a popular activity for our Summer Experience teens. This week's group went to **Tranquility Farms in Green Township** for some therapeutic horseback riding. **Dylan** (on front horse) really enjoyed his time in this beautiful rural setting.

- In another activity, the campers went to **Peter's Valley School of Craft in Layton** to make rings. SCARC staff **Phil** is with **Vinnie** making a ring for him to take home.

- Justin enjoyed his time driving a go cart at **Costa's Family Fun Park in Hawkeye, PA**. Our campers got to have fun playing bumper boats and then they all got a chance to drive and race around go carting! The Summer Experience program is a great time for our teens to enjoy themselves being active in the community. Left is **Vinnie** cooling off with the bumper boat.

- Our **SCARC Foundation Pat Romano Sr. Memorial Golf Tournament** is coming up on September 15. The event will be held at **Newton Country Club** and **Farmstead County Club**, and hors d'oeuvres and cocktails will occur at **Perona Farms** after golf.
