Later November News at ASCARC

Happy Thanksgiving Everyone!

- Our “**SCARC Slime Trivia Event**” occurred last week in our day programs to the applause of all. We were split up into 5 teams, for all the open Centers. Each Center had a Supervisor as a designated “Slimee”. Each team was asked a trivia question which if they answered correctly, they were able to choose another team to slime; if they answered incorrectly their “Slimee” was slimed. We had a great time, as you can see!!! In the photo, Luann gets slimed. We have the best supervisors!

- After participating in **SCARC’s COVID vaccine booster clinic** this week at the Dykstra Center, the **men from our Hillside group home** went Christmas shopping at the mall and to a lunch at Olive Garden in Rockaway. It’s good to go out and enjoy the outside world.

- Speaking of **SCARC’s COVID vaccine booster clinic**, we had a total of 120 staff and individuals receive the booster shot last week. The booster shots were given by **Walmart Pharmacy from Franklin**, and the clinic was held at our Dykstra Center in Augusta. A total of 82% of SCARC employees are fully vaccinated, which compares with only 57% of the Sussex County population.

- **Faye from our Stillwater group home** is preparing for baking cookies for their Thanksgiving dinner at the home. Many residents travel home for the holidays, but others gather together for the annual Thanksgiving meal. Great job Faye!

- The SCARC Foundation reminds us of their **Annual Appeal for 2021**. Our goal is to raise \$125,000 and as of now we have been generously given over \$100,000. Be as generous as you can to support the SCARC Family of Services. Also keep in mind that **Subaru of Newton** has announced its annual Share the Love Event which will benefit the SCARC Foundation. When you buy a new or used car from Subaru of Newton, they make a donation to SCARC Foundation. Thank you all!

- **Joe and Andy (left) from our Individual Living program** traveled over the weekend to see **A Charlie Brown Christmas Live on Stage** at the **Mayo Performing Arts Center in Morristown**. While waiting in line outside the theater, the guys were surprised by a Santa on a motorcycle that pulled up & handed out candy canes!!! The guys had fun and enjoyed the show!
