Later January News at

- **Chris Hemmer, SCARC Foundation Chief Development Officer**, holds one of 50 blankets that **Subaru of Hackettstown** donated to SCARC group homes. The blankets have an attractive Subaru logo as well as sufficient space for use in a vehicle for emergencies. This donation is part of the national **Subaru's Share The Love** event held from November through January to support local charities. In addition, Subaru of Newton (for the second year) will donate to the SCARC Foundation as part of the national **Share The Love** event.

- During our Day Hab Goes Digital section called **Critter Care**, our participants studied **Bearded Dragons**. **Farm Chicks professional, Diana**, gave a great educational presentation on Reptiles, in particular Bearded Dragons. She discussed the temperature their environment must be kept at, the care of their skin, what they eat and that if given the right care they make great pets and get along well with other household pets. We were able to watch the interaction between the pet dragon and the dogs. The participants also were able to watch "Drago" eat worms for breakfast. Drago was rescued by Diana, as many of the animals at Farm Chicks are. After the educational portion the group made lizard keychains, which everyone enjoyed.

- **Our ladies from our Val Court group home, Cindy and Maryellen**, participate in our **Day Hab Goes Digital exercise program** to help stay fit and in good health. All the ladies and gentlemen from our SCARC group homes love to exercise and participate in the digital programs provided by our online company, **Spirit Club**.

- **Ernie from our Beemerhill group home** enjoys his favorite action character **Black Panther** as a wall decal for his bedroom which he received for Christmas.

- Our own **SCARC Foundation** held its **2022 Bowling event** on January 25 to raise over \$7,500 in support of the **SCARC Family of Services**. Over 40 enthusiastic bowlers came to together at the **Sparta Lanes** to support the Foundation! Thank you bowlers for your support!
