## Beginning of March News at

- **Joe from our Individual Living program** (lower right in the photo) traveled to **Mayo Performing Arts Center in Morristown** to watch the **Price is Right Show** on stage. Not only is this Joe's favorite TV show, but he was able to engage in the performance when host **Mark Walberg** prompted the audience to respond to questions. He was in shock when staff Khyla and Joe first got to their seats and Joe could see some of the games he loves up on the stage. This was a very successful community outing for Joe and his staff Khyla.

- The **SCARC Foundation Honors Dinner** event will be held on Wednesday March 30 beginning at 6pm at **Perona Farms restaurant in Andover**. The annual event highlights supporters and long term committed family members who love the SCARC Family of Services. This year's honorees include the **Cable Family (founders and owners of Thorlabs in Newton)**, **Baron Financial Group (SCARC investment company)**, and **Marilyn Olsen for our Lifetime Achievement Award honoree**. Accompanying the event will be our notable online auction, the link is: [www.biddingforgood.com/scarcfoundation](http://www.biddingforgood.com/scarcfoundation). Please support event in any way you can. We will have an advertising journal, so adds can be purchased by contacting our Foundation office at [chemmer@scarc.org](mailto:chemmer@scarc.org).

- At our **Day Habilitation Horticulture Activity with Ann from the Haggerty Education Center** at the Frelinghuysen Arboretum in Morristown, we learned about the myth of a pot of gold at the end of the rainbow. We planted "Pot of Gold Flowers", and made St. Patrick's Day Cards. Ann taught us about the heartiness of these flowers and how they will expand and grow. In the photos, **Teresa, Andrew and Richard and their pots of gold**.

- We mourn the loss to SCARC of two long-time friends of ours, **George Sella and Susan Romano**. Both George and Susan have been involved in the SCARC Family of Services for many decades. Both gave of their resources to improve the lives of children and adults served by SCARC. We will miss them immensely. Susan was a member of our SCARC Foundation board of trustees, and George was a generous donor to our family support and respite programs.

- **Lexie and Ryan** joined their fellow coffee club Explorers in a visit to **Ethan and the Bean** coffee shop in Little Falls NJ which is a shop with a mission to support the employment of persons with disabilities. It was good to enjoy the coffee and to learn about the coffee shop and its community employment mission.
