- **Chris Hemmer, Andy Sharick, Darlene Blandina, Tom Baffuto, Richard Lecher, and State Senator Steve Oroho** take a photo at the **SCARC Foundation Honors dinner** at Perona Farms last week to honor **The Cable Family, Baron Financial Group, and Marilyn Olsen** for their many contributions to the SCARC Family of Services. Over 160 came out to support the SCARC Foundation, and the event raised a net amount of \$81,500. Thank to Chris and his team for coordinating the event!

- At right, is a photo of one of our groups during our **Cooking Class/Kitchen Safety Skills at the Eickmann Center** in Hampton. The group worked on kitchen safety and cooking skills. They made an organic vegetable Frittata. Our Cooking class works with our **Dietician Jenny Torino** to learn healthy cooking skills to make nutritious meals. Good work chefs!

- Our **Eickmann Center Coffee Club** traveled this week to **Grinds and Greens on Spring Street in Newton**. The owner Tom, here in the picture with us, was a most gracious host to our large group. They have amazing specialty coffee selections and homemade treats.

- **Andy Sharick**, member of the SCARC board of trustees and a member of the **Arc of NJ board**, is seen in the screenshot photo (right) in the middle of the second row. The state Arc board met this week to set in motion their Strategic Plan for the 2023-2025 period. Andy is the Secretary of the board at the Arc, and is involved in many planning and operating committees. We are thankful that his involvement at the Arc of NJ will benefit SCARC in our activities as well.

- The **SCARC Foundation** has once again been chosen to receive proceeds from the **I-Heart Media/WSUS 2022 Home & Garden Show** at the Sussex County Fairgrounds on April 23rd from 9am – 4pm. SCARC volunteers will be on hand to greet everyone at the entry point, and to help throughout the day. Come out and support the **SCARC Foundation**.
