More May News at ASCARC

- After living for several years in an apartment in Hardyston, **Andy and Joe have moved to our newly renovated Clearview group home in Hampton.** The home was upgraded and renovated internally, and the home was made special for the two men. They are thrilled with their new place, as are their families. We are happy to provide such a great place in which they can live. Congratulations to **Andy and Joe** for such a beautiful home!

- In the photo right is **Joe who enjoys his participation at our Sparta Center** every day. This week individuals at the Sparta Center learned about healthy fruits and vegetables and then participated in a gardening activity. Each person chose the type of vegetable they would like to plant: cucumbers, lettuce, tomatoes, spinach, and zucchini were some of the choices!

- After delivering food to families in the community **Hampton based Harvest Home Foods volunteers Dereke, Austin, Don, Karen, Sean and Clint** enjoyed a walk at the **Blairstown Footbridge Park.** It is a treat for our volunteers to be able to deliver food boxes to needy families as well as get to enjoy the great weather outdoors. Thanks guys for making the lives of others full of blessings.

- Got any **plastic bags left over** from the grocery store? You can donate them to our **Harvest Home Foods** programs in Hampton and Hamburg. Or, you can drop them off at the SCARC office in Augusta. We can use them through November of this year. Thanks.

- **Peter Lillo and Sasha Carlson from Bear Brook Feather Friends Rescue & Sanctuary** in Green Township donated Duck eggs from their farm to our **Harvest Home Foods program** in Hampton. The individuals from the program learned about ducks and eggs. Bear Brook is a sanctuary for over 60 ducks, geese, sheep, and more. The Rescue & Sanctuary provides a healthy, happy haven for these beautiful domestic creatures, which are given the best possible care, nourishment, and shelter, while enjoying our farm. We were also lucky enough to have meet their new ducklings.
- Come out to the Sussex County Fairgrounds on Sunday May 22 at 10am for our annual **Gordon Shelton Memorial Walkathon** event and help raise funds for the SCARC Family of services.
