

THIS WEEK AT ASCARC

VOLUME 10, ISSUE 21

FRIDAY, JUNE 23, 2023

- With summer upon us, it is great to see that BBQ's and outdoor activities are happening! Our Hampton home had a lovely BBQ with families, staff, and guardians. They were all able to sit outside and enjoy their deck and their company.

- Our Senior Program and the Eickmann Center both got to enjoy Medieval Times this week. There were crowns and Knights and roses galore! Luckily there wasn't any jousting!

- What better time of year to learn about chick and ducks than early summer?? After a great presentation from Diana at "Farm Chicks", everyone in attendance had a chance to use their artistic talents and paint a watercolor picture of a duck. - Last weekend, our Teen Scene participants went to Dino Safari to hang out with some dinosaurs and celebrate Derek's birthday! It looks like everyone survived and had fun!
