Summer Fun!

- This time of year is always filled with exciting adventures! Many of our programs and homes had festive 4th of July gatherings & people going away on trips with family and housemates.. One of our **GREATEST STRENGTHS** is the effort our Staff in multiple programs makes to communicate which leads to combined activities and outings. The more the merrier, right? The long days make for more time to go out and enjoy our beautiful county (and all the amazing ice cream stands we have!). Even on rainy days we find fun!

- Our Sparta Center had a gorgeous day to enjoy **DINGMAN'S FALLS**. This is a beautiful spot where everyone enjoyed the Falls!

- Welcome to SESSION #2 of SUMMER EXPERIENCE!! This week marked the beginning of Session #2 and they are off and running! Not only did the group go rafting and glass blowing, but have also enjoyed Peter's Valley. I have to say that the **ENTHUSIASM** our Summer Experience Staff has is fantastic this year!

- As we move into July and begin our new fiscal year, I want to take this opportunity to thank all of our volunteer members of our **SCARC BOARDS**. We are fortunate to have THREE boards – SCARC Foundation, SCARC Guardianship and SCARC, Inc. – all with their own team of Officers and Members. We rely on their expertise, their time, and their belief in our **MISSION** to support what we do every day. Thank you to those Officers who have completed their terms, the new Officers taking their place and all the new Members that have joined us this year!
