

THIS WEEK AT ASCARC

VOLUME 10, ISSUE 26

FRIDAY, AUGUST 11, 2023

- There is so much to share this week! After a week away, I have returned to many, many pictures and stories from the adventures of the last 2 weeks! Enjoy this week's "expanded version" of our newsletter!
- Our Valcourt home (both staff and residents!) had a wonderful experience at Medieval Times. Thanks so much to the staff at Medieval Times for being so accommodating to our homes and programs!

- Claudia and Staff from our Vernon home had a great time at Turtle Back Zoo!

- Our Harvest Home Foods program (Hampton) packed up food to be delivered or picked up by members of the community, Harvest Home Foods (Heritage) program enjoyed a hike at High Point Monument while our participants of the Patty Dolan Center enjoyed lunch at Chun-Bo restaurant in Newton.

- Ernie had a blast seeing the Ninja Turtle movie at the Sparta Theater and then got to go out to eat at PizzaOne. No one loves a good super hero movie more than Ernie!!

- Andy and Joe loved visiting the classic cars that were on display in Newton. You can tell by their faces that both Andy and Joe LOVE the classics!

- As many of you know, the New Jersey State Fair has been in full swing this week!! We have had trips to the Fair almost every day by our residential or day programs. We appreciate all the support from our community connections that provided us with passes – a good time was had by all! If anyone is still heading out to the Fair today or tomorrow, please come visit our SCARC booth in the County building!

- We have an AMAZING garden growing at the Eickmann Center this summer! Gardens grow when the plants are well tended to and these pics give a good view into how much our plants are loved!

- With all these outdoor activities going on, its always good to have a day to stop inside the library and get a book to look at.

- I want to thank all of our residential and day program staff for making sure that everyone gets to enjoy all of the wonderful activities Sussex County has to offer during the summer! Before you know it, we will be wishing it was summer again!!
