

THIS WEEK AT ASCARC

VOLUME 10, ISSUE 27

FRIDAY, AUGUST 18, 2023

- This has been another eventful week at SCARC! Despite the Fair being over, we still managed to have loads of fun! Speaking of the Fair, if you happen to see Dave Pasake from Hillside, please congratulate him on winning a ribbon for his amazing work of art! I also have a few bonus photos I couldn't resist including from some of our "Just Us Kids" kids having a blast at the Fair!

- Participants at our Patty Dolan Center had an exciting day at Circle Bowl this week!

- Thanks so much to DSP Lorraine at the Sparta Center for doing a presentation for all our participants on the job of a firefighter and emergency personnel. Lorraine also explained the important role that the auxiliaries play for the fire departments. Everyone enjoyed the fire hats!!

- This week also marks the final week of our Summer Experience program. Session #4 has been fantastic – just like the other 3. The participants had a blast, the staff amazingly still has energy and the families are thrilled with all the fun they had. Here are some highlights from Session #4's week. Hopefully next week, I will be able to share some pictures of their final Summer Experience Olympics!!

- Victor and Dee from Harvest Home Foods - Hampton are starting to harvest the fruits of their labor. The tomatoes look fantastic! Meanwhile, our HHF-Heritage group had a great hike to High Point.
