## ***DSP APPRECIATION WEEK!***

- The Fall is starting out in an exciting way! This week we have celebrated **DSP APPRECIATION WEEK!** Our Human Resources Department has been hard at work delivering gifts of thanks to all of our DSPs at all the program locations. Each morning, the HR Team drove around the county stopping at homes and day program sites to deliver treats! This year, DSPs received mums, movie packs, gift cards, the extremely popular long sleeved DSP shirts (in **BLUE** this year!), cookies and personal notes of thanks written by our SCARC board members, our administrative and executive teams. We are grateful everyday for all our DSPs do!!

- This past Monday was the 22<sup>nd</sup> anniversary of 9/11. To commemorate the day, our Harvest Home Foods program visited the 9/11 Memorial at Woodbourne Park.

- Last week, Eickmann Center had a great day hiking, fishing, and eating lunch at Kittle Field. Harvest Home Foods also thoroughly enjoyed a dance party!

- This week's **"BONUS"** newsletter material includes photos of our wonderful **SCARC Awards Night** at Skylands Stadium! Congratulations to all our winners and thanks to everyone who came out, had fun, and helped us celebrate some amazing award winners! **THANK YOU TO VINCENT, KIM, OLIVIA, & MARK AT SKYLANDS STADIUM** for all your tremendous support and help! We are looking forward to next year!
