

# THIS WEEK AT

VOLUME 10, ISSUE 33

FRIDAY, OCTOBER 6, 2023

- Residents at our Branchville home had the opportunity to spend an afternoon at the Gait Therapeutic Riding Center in Milford, Pennsylvania. It was a beautiful day to spend with these gentle giants!

- It was a lovely day for a picnic for the residents at our Newton home. Last Sunday, they ventured off into Stokes State Forest for a hike and picnic.

- Last week, our Harvest Home Foods programs enjoyed some time outside gathering apples at the Beemerhill Orchard. Many of our programs spent time at the Beemerhill orchard this year and we are very grateful to them for welcoming us this season!

- What a great a week of adventures for our SA residents! Who doesn't love a good car show??

- I want to give a grateful shout out to **ARPAN PATEL** from the Franklin, NJ Walmart for working with us to complete a very successful Flu Clinic this past week. Arpan and his team were so kind, accommodating, and flexible with our clinic participants and our staff. THANKS so much for all you do for SCARC!
