

THIS WEEK AT

VOLUME 10, ISSUE 43

FRIDAY, FEBRUARY 16, 2024

-  Happy (belated) Valentine's Day to all!  Here at SCARC there were LOTS of red hearts, treats and messages filled with kindness in celebration of the day. A lovely dinner date hosted by our Stillwater home was a success! We also had a snow day, which is not really contributing to my wish for the start of Spring, but it did make our area beautiful!

- As promised, I wanted to share with you all the pictures I received from people who enjoyed this year's "A Night to Shine" sponsored by the Tim Tebow Foundation. The Tim Tebow Foundation coordinates with churches all over the world to provide a red carpet prom event for people with disabilities. These events are very special and if you have a chance to volunteer for one, I strongly recommend it! As you can see, everyone had a blast and felt great all dressed up!
