

THIS WEEK AT

VOLUME 10, ISSUE 44

FRIDAY, MARCH 1, 2024

- Welcome to March! I hope everyone enjoyed their “extra” day in February. Let’s hope March brings us an early Spring! I don’t know about your yard, but mine has some signs of flowers popping up. Let’s hope the “march toward Spring” continues!

- This past weekend, Ed had a FANTASTIC birthday weekend. Besides making recent upgrades to his room (which he is very happy about), Eddie celebrated his birthday with his housemates. They had a wonderful time eating at Applebees and enjoying cake and presents!

- Our **SCARC Walkathon** is scheduled for June 23, 2024 at the Sussex County Fairgrounds. This is one of our favorite events of the year! Each program will be raising funds for the event and whatever they raise will be available to them for their own program! This past year, several homes decided to take a trip or a weekend away, go see a play, have a special meal out at a nice restaurant, or experience a new activity. Each home is formulating their fundraising plans for this year and there are two events already scheduled! As events are scheduled, I will share them.

- We have a nice new addition to our Administration Office this week! In our Foundation Office, Heather Kinney has developed a new “**Little Free Library**”! This Free Library is available to anyone at SCARC including all staff, home residents and day hab participants. Feel free to visit our new little library and see if there is a book for you! There are plans to expand the availability of books, so **STAY TUNED!**
