- If you are a stargazer/sky-watcher like I am, you probably already know that there is a **SOLAR ECLIPSE** occurring on April 8, 2024. This will be a total solar eclipse that people living in North America will experience. There are some great resources through NASA to learn about the eclipse and the safest ways to experience it! - There were *many shades of green* around this week! We enjoyed balloons and corned beef and cabbage!

- There are some **GREAT NEW ITEMS** in the SCARC Foundation Auction! I have included the link below for your enjoyment. On March 27, 2024, the SCARC Foundation is holding our annual SCARC Foundation Honors Dinner at Perona Farms. We are looking forward to a wonderful evening celebrating the Avondoglio Family, Father John's Animal Shelter and Alice & Andy Sharick. Part of this event is our online auction which has lots of wonderful items to bid on. The link for the auction is below. Check it out!! You might get a real bargain on something!
